W: I'm sorry. We only have banana cakes and chocolate cakes.  
M: She doesn't like bananas, but she likes chocolate. So I'll take a chocolate cake.  
Q: What do we know about the man's mom?
- 17 W: Hi, Peter. Why are you here?  
M: I want to buy a present for my sister. Do you have any ideas?  
W: Mm... How about a pair of sneakers? She loves to jog, doesn't she?  
M: That's a great idea. Where can I get them?  
W: I'm going to the women's wear department. The shoe department is next to it. Just follow me.  
Q: Where are the speakers?

- 18 M: Sally, what are you going to do tomorrow?  
 W: Not sure. I want to go shopping, but my sister wants to stay home and watch TV. How about you?  
 M: I'm going to Mount Elis with Joe and Meg. We're going hiking and having a barbecue there.  
 W: I love hiking. Can I go with you?  
 M: Of course!  
 Q: What is Sally going to do tomorrow?
- 19 M: Who will you go to the Christmas party with?  
 W: I'll go with Steven.  
 M: Why him? He gets into fights easily. And he's rude—he always cuts in line.  
 W: Not anymore. He has changed a lot. He is polite and friendly now. Maybe you should spend more time with him.  
 Q: What does the woman think of Steven?
- 20 B: Vivian, what were you doing last night? I sent you messages but you didn't answer.  
 G: Sorry. I was busy correcting mistakes on my math test. I failed the test, so I had a lot to correct.  
 B: I'm sorry to hear that. Do you need any help? Maybe we can study math together.  
 G: That would be great. Thanks!  
 Q: What was Vivian doing last night?
- 21 W: Can you help me mail a package? I'm busy mopping the floor.  
 M: Sorry, I can't. I'm going to play baseball with my friend later. You can ask Jane. She is going to the post office to send a letter.  
 W: Okay. I'll ask her.  
 Q: What will the woman do?

- 22 W: There was a tall handsome boy standing next to you this morning.  
Who was he?  
M: That was my new classmate, Hank.  
W: Is he smart?  
M: Yes. He is smart.  
W: Does he get good grades?

W: Sure.  
Q: What do we know about Hank?
- 23 W: Sir, there will be a meeting with the salesmen at ten o'clock. After that, you will meet Mr. Brown, the owner of Ricky's Mall.

M: Thanks. I'll take a look.

## 第四部分：短文聽解

26 M: Please look at the three pictures.

W: Hank is leaving Kevin a voice message. What will Hank do tomorrow?

M: Hello, Kevin. This is Hank. I can't go to the magic show with you tomorrow. I've been ill for three days, and my mom wants me to stay home and rest. But don't worry. I've called Jake. He is free tomorrow evening, and he'd like to watch the show. Maybe you two can go together.

27 M: Please look at the three pictures.

M: Sandy is talking about her plans for Halloween. What is Sandy going to do?

W: Hi, I'm Sandy. Tomorrow is Halloween, and I'm so excited about it! I started to decorate my house three days ago. Now it looks scary but interesting. Also, I have made jack-o'-lanterns with my neighbors. We had a great time! Now I'm going to try on my costume. I'll look cool in it!

28 M: Please look at the three pictures.

M: A woman is telling a story about Mr. Johnson to young kids. How does Mr. Johnson go to work on rainy days?

W: Children, today I'm going to read you a book: *Mr. Johnson Goes to Work*. Mr. Johnson goes to work in different ways. When it is sunny, he rides a bike. He loves biking very much. When it is rainy, his wife drives him to work. He doesn't bike on rainy days because his shoes might get dirty. He really hates that!

29 M: Please look at the three pictures.

W: A man is telling people about an activity at Fun Park. How does the park look now?

M: Years ago, Fun Park was a great place for children. There were swings and a slide for kids to play on. It used to be clean, but now, it's full of trash, and parents don't take their kids there anymore. Luckily, someone is going to do something—Mr. Chen is calling on people to clean it up this Saturday morning. Join him if you can. Let's make our town a better place!

30 M: Please look at the three pictures.

M: Toni is talking about an experience with her friend Henry. Which picture shows the experience?

W: Welcome to Toni Talks! Have you ever lent a friend money? Well, you'd better avoid that because you might lose both. Three years ago, I lent my friend Henry \$10,000. He said, "I'll pay you back next month." But he never did. I called him many times, but he never answered. I tried to find him, but he just disappeared. So, what do you think? He's not really a friend, is he?
